ANTARES VISION GROUP JOINS EURONEXT TECH LEADERS

The project encompasses around 100 fast-growing European technology companies (19 of which Italian)

Travagliato (Brescia), 07 June 2022 – Antares Vision Group (EXM, AV:IM), Italian multinational and leading provider in Track & Trace systems and quality control, which guarantee the transparency of products and supply chains through integrated data management, is proud to announce its participation in Euronext Tech Leaders, a new initiative dedicated to leading Tech companies with high growth potential.

Antares Vision Group is one of the 19 Italian companies selected to be a part of Euronext Tech Leaders alongside over 100 leading European Tech companies. The aim of the initiative is to expand Euronext's current offer in order to strengthen the European Tech segment and be a catalyst for the next generation of Tech leaders: the companies that have joined the project will be part of an exclusive network and will benefit from a series of services dedicated to technology companies, as well as enjoying greater international visibility. Euronext's rich ecosystem brings together over 700 Tech enterprises listed on Euronext markets and a wide pool of international investors which fund Tech companies with significant growth profiles.

*"We are extremely proud to become a part of Euronext Tech Leaders as it represents an opportunity for further growth - stated **Emidio Zorzella, Chairman and Joint-CEO of Antares Vision Group** -. It is an important acknowledgement of the strength of our business vision, which sees technology as a strategic asset to create value for all stakeholders and the means that will help improve the quality of life, by guaranteeing the transparency, safety and sustainability of products and supply chains. Our growth profile meets the strict selection criteria of Euronext Tech Leaders, given that since 2012 we have recorded an average annual growth rate for revenues of 38% and for EBITDA of 51%, and that in the past three years we have invested around €250 million in acquisitions in Italy and abroad, which has enabled us to diversify geographically as well as in terms of solutions to create a single and complete ecosystem of technologies. I am confident that being a part of Euronext Tech Leaders will enable our Group to gain greater visibility in the international financial markets".*
